

All Saints Academy Policy on Bullying

The core values of All Saints Academy are based on mutual respect and a belief that all of us equally reflect the image and likeness of God. As a Catholic School we foster Christ-like behavior and will not tolerate destructive actions and words.

Bullying is repeated unkind actions or words, with the purpose of hurting another's body, feelings, friendships, or property. Bullying is wrong and will not be tolerated at All Saints Academy.

Incidences of bullying should be reported to the principal immediately by staff or students who witness such events. Bullying will be taken seriously at All Saints Academy.
