

# Consequence Plan

All students are expected to follow the guidelines of the social contracts in their classrooms. In addition, students are expected to display common courtesy and respect throughout the school campus. Teachers will work with students who are struggling to follow these guidelines and rules. Listed below are the steps that will be followed when these expectations are not met.

## 1. Verbal Warning

Students will be given a verbal warning so they have the opportunity to change/correct their behavior.

## 2. Action Plan

If behavior continues, teachers will sit down with students to form an action plan to change/correct their behavior.

## 3. Phone Call to Parents

If the behavior still continues, the teacher will accompany the student to make a phone call to parents at home or work. The student will be expected to tell their parents why they are calling and what they have been doing.

## 4. Meeting with Principal

If the student has not used the previous steps to change their behavior, the teacher will set up a meeting with the student and the Principal to discuss further consequences.
